

Israeli Medical Association World Fellowship United States of America Chapter

US Chapter

Membership drives can be boring. So we have made it enjoyable.

That is why we have initiated our "Get 50" campaign. We are asking each of you to get fifty new members by the end of September, and it is easier than you might think. There are several ways of accomplishing this, and you can choose one or more:

- Membership event at your local Jewish Federation
- A dessert event at your synagogue (or church)
- Hosting a dinner or cocktail party
- Phone calls to your favorite health care colleagues

We will help you coordinate and publicize any of these events, and provide you with talking points for each. We had a tremendously successful membership event at the Broward Jewish Federation recently. Almost everyone who attended joined!

We are also offering you a special incentive to reach these goals. You will receive a free IMA membership for every fifteen members (20 for the third month) that you secure.

The requirements for your free IMA membership are as follows:

- First fifteen members by July 31st, 2008
- Second fifteen members by August 31st, 2008
- Twenty additional members by September 30th, 2008

With your help, we can meet our membership goals for this year, which allows us tremendous flexibility to provide the kind of medical exchange advancement programs that you would like.

The website is now updated and has all the informational items you have been requesting, specifically member dues payments online. Visit it today at www.ima-wf-usa.org!

THIS WILL ONLY WORK WITH YOUR HELP! Please contact our point person Katie Fitzgerald at (850) 656-1078 and we will help you coordinate this effort.

Sincerely,
